### *About the course:*

Fieldstone is a private club nestled on 184 acres in the rolling hills of northern Delaware; Fieldstone is a scenic Par 71, 7000+ yard course featuring dramatic elevation changes, bent fairways, numerous sets of tees per hole, and old-world bunkering. The pristine nature of the property was preserved to provide members and their guests with an unparalleled golf experience.

*Increasing the independence of children*

One specific focus of donations this year is a project called "Go, Baby, Go". The project requires funding to provide the latest in mobile technology which uses

modified ride-on cars to be available to families to encourage mobility and independence. A Go Baby car can give a child, from 9 months to 6 years old, the feeling of movement when they are otherwise unable to use their arms and legs. Each car must be customized based on the child's age, size, abilities and needs and requires extensive funding. We are hoping to fund not only this program, but others as well. A detailed list of the programs our funds will be supporting are also available on [lcapanofoundation.org](http://lcapanofoundation.org). As it is every year, our goal is to increase our total donations in order to truly make a difference in children's lives. Together and with your support, I believe we can achieve this goal!
