### *About the course:*

Our signature course was built in 1949 by Alfred Tull and past home to the McDonald's LPGA Championship for over 18 years. Since our re-opening in 2005 (after restoration by Lester George to its utmost potential), the DuPont course has hosted The Delaware State Championship, U.S. Open and U.S. Amateur qualifying and many prestigious regional and local tournaments. The par 71 DuPont Course features five sets of tees to choose from with yardages measuring from 5255 yards to 7120 yards. Well designed fairways and greens enhance the subtle shot making and short game required to score well and strategically placed bunkers add to the challenge. If you choose to play from the back tees, the par three's mount a significant challenge ranging in length from 180 yards to 241 yards. Our signature hole is number 15, which measures 460 yards and is well protected by deep bunkers and a creek that runs the entire length of the hole. To finish off your round you are given the "risk and reward" option of two fairway choices on our par 4 hole number 18, which measures 445 yards.

## Increasing the independence of children

One specific focus of donations this year is a project called "Go, Baby, Go". The project requires funding to provide the latest in mobile technology which uses modified ride-on cars to be available to families to encourage mobility and independence. A Go Baby car can give a child, from 9 months to 6 years old, the feeling of movement when they are otherwise unable to use their arms and legs. Each car must be customized based on the child's age, size, abilities and needs and requires extensive funding. We are hoping to fund not only this program, but others as well. A detailed list of the programs our funds will be supporting are also available on [lcapanofoundation.org](http://lcapanofoundation.org). As it is every year, our goal is to increase our total donations in order to truly make a difference in children's lives. Together and with your support, I believe we can achieve this goal!

Monday, July 31<sup>st</sup>, 2017 • *DuPont Country Club*
