Dear Mr. Capano,

First, let me just say, thank you!

On behalf of Duffy's Hope, Inc., I would like to thank you so very much for your generous donations and ongoing support. Your donations mean that you understand just how valuable supporting the children, youth and families in the State of Delaware can be to ensure that educational goals are reached and dreams are made possible.

Although these victories of supporting the Duffy's Hope Basketball League, College Tour and providing holiday gifts to families may seem small to the average person, you and I know that they are not. That's why you gave, and why the children and youth we serve are full of gratitude for your generosity.

Donors like you help make our Duffy's Hope programs possible and guarantee that we can offer quality programs to children and their families who could not, otherwise, afford these life-enhancing activities.

We want you to be an active member of our community too. Please visit our website at www.duffyshopeinc.org to see the great work your support has afforded our organization, and do watch for invitations to special events we put on throughout the year.

Again, thank you! The generous support of individuals like your foundation make it possible for our organization to exist and to make the community a great place to live one step at a time.

Best always,
Allen "Duffy" Samuels,
Founder / CEO

P.S. As a special thanks, we will be adding you to our exclusive circle of friends and listing your name in our annual report and our website.
